Admiral Stansfield Turner
Director
Central Intelligence Agency
Washington, D. C.

Dear Stan:

It was a tremendously deserved credit that President Jimmy Carter appointed you as the new Director of the Central Intelligence Agency. Although our paths have not crossed often since graduation from the Naval Academy, I have been elated to learn of your many accomplishments in the Navy.

As a friend, and as a citizen of the United States, I am very pleased that you will be directing one of the most important functions of our Government. I want to personally wish you the greatest success and happiness in your new job. If I may ever be of assistance to you, please call upon me.

With kindest personal regards,

Arthur L. Markel
Managing Director
MHD Division
